Giant Pansies

TYPE OF OUR PANSIES

Mammoth Exhibition

Sturdy grower, has short habit and large leaves. The flowers are round, solid, of gigantic size and most beautiful color combinations. Trade pkt., 50c; ¼ oz., $1.50; oz., $5.00.

New Early-Flowering Giant

Blooms about four weeks earlier than other varieties. **Mixed.** Trade pkt., 25c; ¼ oz., 40c; oz., $1.40; lb., $16.00.

Vaughan's International Mixture

A mixture of special strains such as Bugnot, Masterpiece, Swiss Giants, Triumph of the Giants, Mammoth Exhibition, Non Plus Ultra, and Giant Cassier, of largest size and great substance in the most varied colors and color combinations. Since this mixture contains but very few self-colors these should be ordered separately if desired.
Trade pkt., 50c; ⅛ oz., $1.25; ½ oz., $4.00; 1 oz., $8.00; 1 lb., $100.00.

Vaughan's Giant Mixture

Besides a good share of the "Fancy" strains such as Masterpiece, Bugnot, Cassier, etc., this mixture contains all the self-colors such as white, yellow, blue, purple, red, bronze, etc., and is probably the best "general" high-grade mixture obtainable. All the flowers are of the "Giant" type and of good shape and texture.
Trade pkt., 50c; ⅛ oz., 75c; oz., $5.00; ¼ lb., $18.00.

Swiss Giant Mixture

The flowers of this new strain are three inches and over in diameter, they are perfectly round with overlapping petals, borne on strong stalks well above the remarkably luxuriant foliage. The most striking qualities of this strain, however, are the wonderful colors and color combinations never before seen in Pansies, salmons, pinks, and reds. All flowers are 3- or 5-blotched. There are no self-colors in this mixture.
Trade pkt., $1.00; ⅛ oz., $2.50; ¼ oz., $4.50; oz., $16.00.

Mastodon, Private Stock

A mixture of pansies grown by an American specialist. Seed grown from originator's stock. Trade pkt., 50c; ⅛ oz., $1.25; ¼ oz., $2.00; oz., $7.00; 4 ozs. for $25.00.

A SILENT SALESMAN, IRRESISTIBLE

The New Seed Business
An Ideal Florists' Sideline

RECREATIONAL GARDENING, with interest in decorative planting dominant, is now influencing the demand for garden seeds.

Florists are the natural sources of advice and counsel to gardeners who wish to grow flowers; and they are the logical dealers in seeds for the use of which they can give correct instructions.

Sales of seeds by florists who have our commission boxes average higher than those of any other class of dealers; and we predict that this lead will increase, as more people come to think of florists as the natural source of good seeds.

You Can Have Our Beautiful Seed Display; No Expense, No Investment And a Good Profit

Vaughan's Seed Store's patented poster rack is made this year in a new deisgn. Experience of three years has proved this new type of rack a complete success. It is made of heavy mat board, of negligible weight, exactly like the advertising cut-outs which you use in window and counter displays. It is faced with brilliant colored designs as illustrated, the work of high class artists, printed in colors on enamel paper, and varnished. The colored flower and vegetable packets are inserted in pockets, so arranged that half of the packet is visible, directly in the line of vision as the light rack stands on the counter. No garden lover can resist the temptation to pick the packets from the rack; and once in her hand, the sale is easy.

New Racks, New Seeds, and a New Sales Appeal

These beautiful racks with their brilliantly colored packets are bright, fresh and clean each season. And racks and packets unite in selling the real merchandise of the seedsman, which is not seeds at all, but the things seeds grow into. The glorious colors and imaginative designs of this display sell the garden and its bounty; they visualize the dreams that bring seed customers into your store; they have a sales appeal that cannot fail.

This seed display is yours without investment and without expense. It comes by parcel post as its weight is negligible. Only the unsold packets are returned to us, for credit to your account; the racks are destroyed to be replaced with new ones the next season. You get 40% commission on the packets you sell.
